different, 100-question practice exams in the book and online. This edition is modeled after the updated Pharmacy Technician Certification Exam Blueprint. A total of 1,700 review questions are included in 17 practice exams in the book and online.

100-question format of each practice exam simulates the PTCB and ExCPT exams, with multiple-choice questions and the same balance of content, for a realistic test taking experience. 700 electronic flash cards help you learn and remember facts by covering the top 200 most prescribed pharmaceuticals, top 50 herbals, abbreviations, and sound-alike drugs. Review content reflects the new percentages covered on the PTCB

exam. A convenient outline format helps you to quickly review important information you'll see on the exam. Tips and suggestions prepare you for test-taking success by providing an insider's perspective on what to expect and how to prepare for your exam when you have limited time. Seven practice exams in the book feature the same format and content emphasis as the national exam. Ten practice exams on the Evolve companion website in both timed and untimed modes help you identify any areas of weakness, and include instant feedback and remediation. UPDATED content includes current drug information and pharmacy practice procedures based on the new

the most comprehensive review to help you achieve certification! When it comes to investing in a PTCB exam review book, you have a lot of options. To help you make your decision easier, we have created a list of the top 5 factors you should consider when choosing a study guide. Top 5 factors to consider when selecting a PTCB exam study guide: #1 --Up To Date-- Standardized exams are always evolving. Make sure you prepare yourself with a study guide that is up to date with current information and current laws. #2 --Practice Questions-- You can read until you're blue in the face, but the best way to learn is to do it yourself! That is why PTCB Exam Simplified is packed full of

Bookmark File PDF Pharmacy
Technician Certification Exam
Study Guides

examples and practice problems.
#3 --Manageable Size-- You really need to consider how much content you can reasonably review before the exam. You need a study guide that gives you just the right balance of information, not too much and not too little. **PTCB Exam Simplified** provides just the right amount of information. Though I did not obtain her endorsement personally, I am pretty certain Goldilocks would choose **PTCB Exam Simplified** if she were preparing to take the **PTCE**. **#4 --A Substantial Review of Pharmacy Calculations--** Math problems make up a large portion of the **PTCB** exam, and you need to be prepared in order to be successful. Many of the

Bookmark File PDF Pharmacy
Technician Certification Exam
Study Guides

best-selling PTCB exam study guides fail to prepare students adequately in this category, but PTCB Exam Simplified provides a thorough review of pharmacy calculations. #5 --Study and Quiz Yourself at the Same Time-- You want a study guide that can equip you with exam-relevant knowledge as quickly as possible. PTCB Exam Simplified does this by providing you with questions and answers that allow you to quiz yourself as you study. Includes 2 Complete Practice Tests Designed to help pharmacy technician students pass the PTCB exam, our comprehensive, no-fluff study guide contains what you NEED TO KNOW to pass the exam. In addition to a comprehensive and targeted

all of the latest information
about upcoming changes to**

the PTCE exam scheduled to go into effect in January 2020. You'll get detailed review, full-length practice tests, and answer explanations to help you master the material and pass the exam. This updated edition will be aligned with the 2020 test change and features: Two full-length practice tests in the book with detailed answer explanations One additional full-length practice exam online with detailed explanations A full-length pretest designed to help you assess your strengths and weaknesses

before beginning your review Review content that covers all of the major topic areas and knowledge domains of the latest official PTCE blueprint Hundreds of practice questions with detailed answer explanations for extra preparation All of the latest information about pharmacy technician certification requirements, PTCE scoring, steps for scheduling the PTCE, and test-taking skills, important tips, and winning strategies REA's PTCE (Pharmacy Technician Certification Exam) Flashcard Book Third

Edition Raise your score with 500 must-study test questions Fully updated with the latest test changes, REA's PTCE flashcard book is designed to help PTCE candidates check their test-readiness before taking the Pharmacy Technician Certification Exam. Unlike most flashcards that come in a box, our cards are bound in an easy-to-use, organized book that makes it convenient to study anywhere. Written by a seasoned pharmacy technician instructor and based on the most recent

exam, our study supplement covers everything you need to know for the PTCE: assisting the pharmacist in serving patients, maintaining medication and inventory control systems, and participating in the management of pharmacy practice. The flashcards are broken down by PTCE test topics and include multiple-choice questions with detailed answer explanations. Flashcards include: * 200 flashcards focused on the top 200 brand/generic drug names including their respective

drug classes, indications, side effects, and special considerations * 50 flashcards focused on pharmaceutical terms and abbreviations * 250 flashcards focused on PTCE exam topics After studying with the book, go online and review what you have learned with our practice quizzes and e-flashcards. You can also create your own unique flashcards for any sections of the test that give you difficulty. This flashcard book and the online tools that come with it, will help you personalize your PTCE prep by testing

your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. If you're a pharmacy tech student and want extra practice and review before the exam, REA's PTCE Flashcard Book is the right Rx for your study needs.

Do you need a high quality, up-to-date study guide for the ExCPT exam? Look no further. ExCPT Exam Simplified was created just for you. This new study guide offers easy to understand information and explanations along with the
